

Invitation: "6th Fraunhofer Innovation and Technology Platform (FIT)"

Circular Economy – Creating a Sustainable Environment

07 September 2023 | TAJ MG Road, Bangalore

Knowledge Partner-

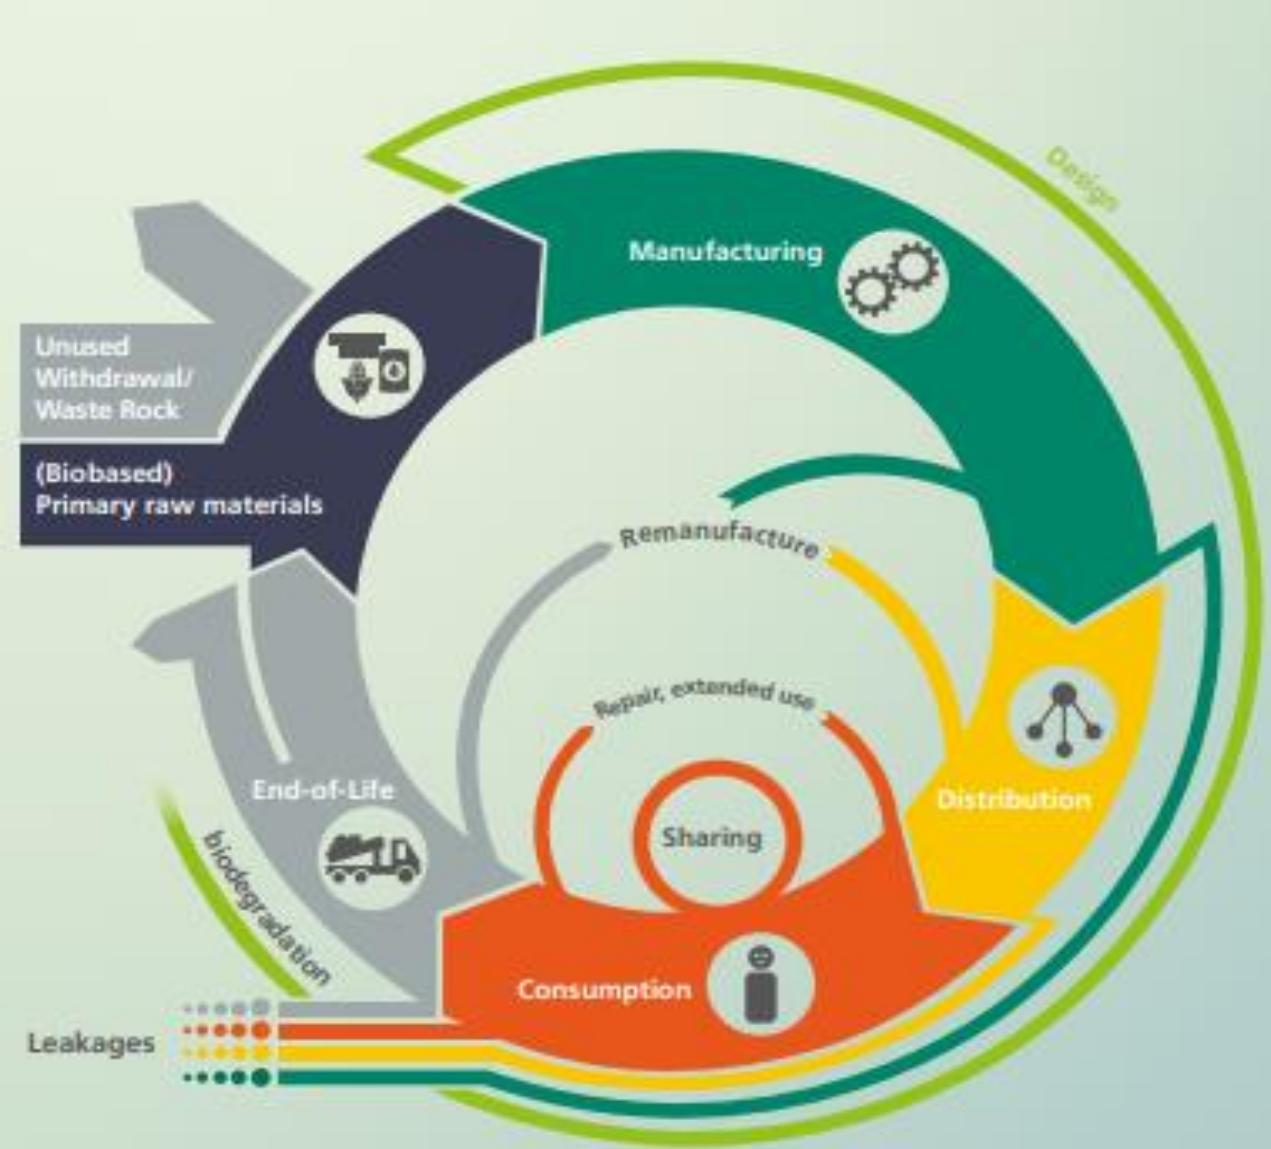

Fraunhofer is the world's most unique, and Europe's largest applied research organisation with 76 institutes active in all sectors of industry, more than 30800 employees the majority of whom are armed with advanced degrees in Science and Engineering, and an annual budget of 3 Billion Euros. The Fraunhofer Innovation & Technology Platform (FIT) is an exciting initiative and biennial flagship event of Fraunhofer which focusses on different thematic fields and showcases, cutting edge technologies, innovations & solutions like never before.

I am pleased to inform you, that we are organising the **6th Fraunhofer Innovation and Technology Platform** focussing on **"Circular Economy - Creating a Sustainable Environment"** across **Manufacturing, Mobility, Packaging & Recycling and Water-Food-Energy Nexus** on **07 Sept 2023** in Bangalore. More than 15 Fraunhofer experts from various institutes will participate and showcase technology needs / solutions for the smart technology intervention in India. Dr. Markus Wolperdinger, Director, Fraunhofer Institute for Interfacial Engineering and Biotechnology (IGB) and a leading luminary in the field of Bioeconomy and Resource Efficiency will be the Fraunhofer Chairperson for 6th FIT and we have already received great support and excitement in India.

We would be delighted by your participation at our event, which will feature top CEO's and researchers from both sides of the geographies. The event will set the pace for understanding the issues and challenges related to the complex subject of circular economy and sustainability and also showcase Fraunhofer's expertise in offering smart solutions and models for India. Your presence and valuable insights would be of great value addition in the discussions and our subsequent initiatives in India.

Date : 07 Sept 2023
Venue: Trinity Hall, TAJ MG Road, Bangalore
Time: 0830-1900 hrs

Thank you.
 Ms. Anandi Iyer
 Director, Fraunhofer Office India

- Participating Fraunhofer Institutes from Germany**
- Fraunhofer Institute for Interfacial Engineering and Biotechnology IGB
 - Fraunhofer Institute for Environmental, Safety and Energy Technology UMSICHT
 - Fraunhofer Institute for Solar Energy Systems ISE
 - Fraunhofer Institute for Machine Tools and Forming Technology IWU
 - Fraunhofer Institute for Manufacturing Technology and Advanced Materials IFAM
 - Fraunhofer Institute for Structural Durability and System Reliability LBF
 - Fraunhofer Institute for Chemical Technology ICT
 - Fraunhofer Institute for Process Engineering and Packaging IVV
 - Fraunhofer Institute for Manufacturing Engineering and Automation IPA
 - Fraunhofer Institute for Material Flow and Logistics IML
 - Fraunhofer Institute for Microstructure of Materials and Systems IMWS
